

Dimensional Information

IP00 Version for DIN rail mounting (mm)

Connections

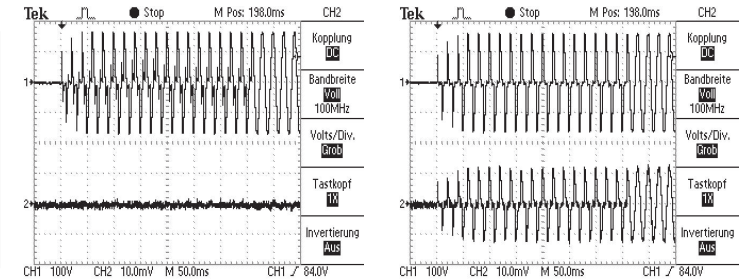

Technical Data	
Supply voltage:	230 V (220... 240 V, +/- 10%), other voltages possible
Mains frequency:	45... 65 Hz
Current rating:	max. 16 A for an ambient temperature of 40°C
Switch-on time delay:	approx. 500 mSec.
Operating temperature:	0... 45 °C
Ingress Protection:	IP 00, IP 20
Fixing method:	DIN rail EN 50022 / EN 50035 or screws
Dimensions [mm]:	87 x 77 x 67mm
